

The Playground

I can run up the slide.

I can play.

My favorite thing to do is go on the swings.

I would play on the swings, monkey bars,
and go on the slide.

I would play on the slide and the basketball
court.

At the park, you could play tag, go on the
swings, go on the monkey bars, and go on
the tire swing.

We will play tag.

We will play tag and hide and seek.

I will play monkey bars.

You can go on the glider and you can go on
the infinity loop and go down the fire pole
and the slide and play cherry bombs.

We could play in the sandbox and pretend
it's the beach.

We could swing on the swings.

Go on the monkey bars.

We could play sharks and minnows.

Make sure you bring sunscreen and
mosquito medicine because you might get
tan or a mosquito bite.

We had a great time at the playground.

We could play soccer, football, and
baseball and dodgeball and volleyball.

I am starving. Can we get something to
eat?!

You can play kickball.

You can play monsters.

You could play marco polo.

You could play in the sand.

We can have a PICNIC!
