

Banana Split

Crunchy Crunch. Banana splits

are always a delightful treat!

Just look at the juicy cherry!

That banana split looks so

creamy. It feels so smooth. And

That red cherry is so juicy. But
just the smell of that banana
split! It smells like a delicious
cherry. I hope I don't drop it,
there would be a Plop! Sound.
And this is a banana, nutty, creamy,
Mix! A banana split will
always be a good treat!

Who doesn't love banana split?
Oh yeah can I have one more? No.
Sure? yes. Thanks! Snatch! Munch
